Explore the "What's New" Page

Once you have signed in to Sycamore eLearning, the See What's New page displays. From this Homepage you are able to search for courses or other content highlighted by Indiana State, find important messages on new course added content and see courses to launch now, or save to your learning plan.

Search for Content

You can find content by using the Search function in the upper right box of your screen.

1. Enter a keyword in Search and click on the . You can also:
2. Select pre-search filtering options to refine your results prior to performing a search.
Browse the Library for Content

Find content by clicking Browse the Library and selecting a subject. Content libraries may be organized by subject area or also by job role, competencies, or other areas relevant to your organization’s training goals. Once you select a subject, you can filter your content options:

1. Use the filters and refinement options on the left.
2. View content options in the carousel.
3. Search through newly released content, organized by content type.

Use Advanced Search

After your initial search, you can refine your search results:

1. Click Show Filter. The Refine By dialog displays.
2. Select your refinements from the available options.
3. Click Refine to apply your filters.
Manage your Learning Plan

View and manage your assignments by clicking View Learning Plan. There are two tabs in your learning plan:

1. The Assigned Learning tab contains content that you may have been assigned to you by individuals at ISU. Development Plans are also found here.
2. The Personal Learning tab contains content that you have saved for completion, as well as any bookmarks in the Library that you have created.

To help organize your assignments, content on both tabs is arranged in sets.

Check your To Do List

Use the To Do List to quickly view your upcoming and overdue content items without having to open your learning plan.

1. Click the To Do List icon.
2. View Upcoming and overdue items.

You can launch content directly from your To Do list, or click to close and return to Sycamore eLearning.
Visit Community allows you to view your organization’s social and collaborative place within the Sycamore eLearning and Skillsoft global site. You can share recommendations on content, post comments, and follow people within your organization.

You can share information about yourself, including areas of interest and expertise, by creating a community profile.

Click My Profile > Community Profile > Edit to create or edit your profile.

*Note that participation in the Community is completely optional. You do not need to have set up a community profile to participate in the Community. Recommending or commenting on content, or choosing to follow another community member, automatically joins you to the Community. You can go back and complete your profile at any time.
