Employee Assistance Program

Helping you cope with the present and plan for the future

It's tough dealing with new challenges—finding child or elder care, bankruptcy, substance abuse—especially on your own. The stress alone can affect your work, health and family.

In times like these it's helpful to have someone in your corner to listen, offer advice, and point you in the right direction for additional help. That's what you get from DisabilityGuidance®—an Employee Assistance Program that offers support when you need it most.

Program Highlights

Up to five confidential sessions with a counselor, financial planner or attorney are available to you and your eligible family members each calendar year. Consultations may be face-to-face or over the phone, and an additional five sessions are available if you have a covered disability claim. Sessions are per household and may be divided among the three types of professionals. These services are included in the overall premium. Using this program does not require any additional payment.

- Convenient online access to will documentation tools
- Simple-to-follow instructions guiding you through the will-generation process
- Online support from licensed attorneys, if needed
- The ability to make revisions at no cost for up to 30 days
A simple will costs just $14.99; printing and mailing services are also available for $9.99.
You also have the option to create a credit shelter trust for an additional fee.
