

# Your Guide to Parking on ISU Campus

Everything you need to know to avoid a ticket.

## Parking in the Parking Lots

- ◆ Faculty, staff and students are required to purchase an ISU parking permit and have it displayed from the rearview mirror at all times.
- ◆ If you receive a ticket for 'no permit' and you purchase your permit within 5 days we will waive your ticket (up to 2 tickets) as long as you are in the correct lot.
- ◆ Individuals with regular surface lot student permits are allowed to park in Student and Staff/Student lots. Individuals with staff permits are allowed to park in Staff and Staff/Student lots. Parking in a staff lot Monday—Friday between the hours of 7 am—5 pm with a student permit will result in a parking ticket for wrong lot. (the same applies for staff in student lots). Remote Permits allow the individual to ONLY park in lots designated as "REMOTE" (Lot N, O, T, Baseball, Lot Q, Lot D ext ) -vehicles in Lot O &T after 5pm will be towed at the owner's expense.
- ◆ **Yellow curbs, fire lanes, loading zones, and landscaping/grass areas are not parking spaces.** A vehicle may be ticketed and towed if it is left unattended in these areas.
- ◆ Parking at the end of a regular aisle is considered a 'driveway' violation and will result in a ticket and/or tow. Be sure that there are white lines on both sides of your vehicle.
- ◆ Parking regulations are enforced at all times. Parking in a staff lot with a student permit is allowed only on weekends, between 5 pm—7 am Monday—Friday or when the campus is CLOSED (i.e. all University Offices are closed)
- ◆ If a parking permit becomes lost or stolen, it is your responsibility to file a police report and purchase a new permit at the current price. **LOCK YOUR CAR AT ALL TIMES** and keep windows rolled up.
- ◆ Handicap spaces require an ISU handicap permit at all times. The person the permit is registered to must be in the vehicle.
- ◆ Displaying a lost, stolen, altered or fabricated permit will result in a fine of \$125 and vehicle impoundment at the owner's expense.
- ◆ Vehicles parked on University property must have current plates, display a current parking permit, and be in a state of good repair and operable.
- ◆ Resale of a parking permit or purchase of a permit from anyone other than Parking Services is a violation and is subject to a \$125 fine and vehicle towing/booting at the owner's expense. **Do NOT share your permit or give it to others—all fines received on the permit will be charged to the original purchaser.**

## Parking on the Street

- ◆ **Parking on 4th and 5th Street will require a Student or Staff PERMIT . Remote permits are not allowed on 4th and 5th Street.**
- ◆ Do not park in yellow zones. Any portion of your vehicle in the yellow constitutes a violation.
- ◆ If you park on 4th Street, your entire vehicle must be within the white lines. Any part of your vehicle on the white line or over the line is a violation.
- ◆ Do not park on the wrong side of the street (i.e facing oncoming traffic).

## Things to Remember

- ◆ Guest permits are available for purchase for \$3/day. Guest parking is also available in the Parking Garage, the North Pay Station lot or the West Lot.
- ◆ Students, staff, and faculty are not considered guests and may not display a visitor pass at any time.
- ◆ Lack of a convenient space is not a valid excuse for parking in violation of regulations.
- ◆ Service vehicle spaces require a special permit at all times.
- ◆ Don't ask your friend about parking—ask Parking Services (ext 8888) for the correct answer.
- ◆ Metered spaces are reserved for guests and only go up to 60 minutes.
- ◆ Moving a barricade to park in a restricted area will result in your car being towed.
- ◆ Vehicle flashers should be reserved for emergencies. Unloading or parking "only for a minute" does not constitute an emergency.
- ◆ Chronic Violators are individuals with 5 or more parking tickets (paid or unpaid) during the academic year and are subject to tow or immobilization whenever found in violation.
- ◆ Parking Lots C, D and G on the east side of campus are less frequently utilized. Spaces are normally available in these areas at all hours of the day.
- ◆ Parking is also available in Lot O on 2nd Street and the baseball lot on 1st Street between 7am and 5pm Mon-Fri.
- ◆ Parking on or adjacent to snow mounds is prohibited—all four tires must be on the flat parking surface and in a valid space.
