1. Illinois Students Scholarships are offered to a limited number of first-year students who have demonstrated superior academic performance in high school. Scholarships may be renewed for total of eight semesters of on-campus undergraduate instruction. To retain this scholarship, the student must:

   A. enroll as a full-time student each semester (minimum of 12 credits) and successfully complete a minimum of 24 credit hours each academic year. Enrolling in at least 15 credit hours per semester is strongly encouraged, since this will enable the student to successfully progress toward graduation within four years.

   B. be in academic good standing as measured at the end of each academic year for the duration of eligibility.

2. A student who withdraws or discontinues enrollment for one or more semesters may request renewal for a future semester by writing to the University Scholarship Office before withdrawing. The petition form is available at www.indstate.edu/scholarships/petition.htm. The request should state the student’s name (including any changes), student identification number, reason(s) for withdrawal, and the semester he/she is planning to re-enroll. Students who withdraw or discontinue full-time yearly enrollment without filing a written request and getting approval for the reinstatement of the scholarship will forfeit their award. Once the scholarship is lost, it cannot be reinstated.

3. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades or no grades.

4. If at any point during your undergraduate enrollment at Indiana State University you become a resident a state other than Illinois, you will no longer be eligible to receive the Illinois Students Scholarship. This will be effective from the point at which residency is granted to the student, including any retroactive decisions.
