1. Summer Honors Scholarships are offered to a limited number of entering freshmen who have demonstrated superior academic performance in high school and who have participated in the ISU Summer Honors Program. The Summer Honors Scholarship is a one-year non-renewable scholarship. To maintain this scholarship for the 2012 Spring semester, the student must:

   A. enroll as a full-time student each semester (minimum of 12 credits) and successfully complete a minimum of 24 credit hours each academic year. Enrolling in at least 15 credit hours per semester is strongly encouraged, since this will enable the student to successfully progress toward graduation within four years.

   B. maintain a minimum cumulative grade point average of 2.5 as measured at the end of the Fall semester for Spring 2013 eligibility.

2. Semesters in which a student enrolls are charged against the offer regardless of completion of classes, incomplete grades, or no grades.
