Call To Order

The Indiana State University Board of Trustees met in regular session at 3:30 p.m. on Friday, December 16, 2011 in the State Room, Tirey Hall.

Trustees Present: Mr. Alley, Mr. Baesler, Ms. Bell, Mr. Campbell, Mr. Lowery, Mr. Minas, Mr. Pease, Mr. Pillow and Ms. Tucker.

President Bradley, Vice Presidents Beacon, Maynard, McKee and Tillery and Ms. Sacopulos, General Counsel and Secretary of the University were present. Also attending were Dr. Steve Lamb, Chairperson of the University Faculty Senate, Ms. Kelly Hall, Chairperson of the Staff Council and Mr. Nick Utterback, President of the Student Government Association.

There being a quorum present, Mr. Alley called the meeting to order at 3:35 p.m.

Remarks

Report of the President of the Board of Trustees (Mr. Alley)
(Mr. Alley made the following comments)

Welcome to our December Board of Trustees meeting. We wish you all happy holidays.

We look forward to commencement tomorrow and to dinner this evening with our Alumni Commencement Speaker, Dean Hirsch. He is the former President of World Vision International. We are very pleased to have him here to celebrate commencement with us. Mr. Hirsch received his master’s degree from ISU.

We are continuing to listen to the Commission for Higher Education. They came out with their performance measures for funding and we are looking to get further clarification on those to be sure we are consistent with theirs.

I was pleased to participate in the Strategic Planning Review in November. It was very informational for me and for the Trustees participating. We are very pleased with the progress made on the campus and really appreciate the commitment.

Trustees had an opportunity to hear several seminars earlier this afternoon. We heard discussion on Unbounded Possibilities and the projects being developed as a result of that. We are excited about all of those.

The Board of Trustees and members of the community attended the Indiana Society of Chicago on December 3. It was a great opportunity to celebrate and congratulate ISU and the Terre Haute community. I appreciate all those involved.

Trustee Bob Baesler recently received the North Star Award from the Boy Scouts in recognition of his distinguished service to youth. This is a new award for Boy Scouts and Bob is the first person in Crossroads of America Council to receive the award.

ISU athletics has received recognition on many fronts. We can be proud of our coaches and athletes. All of the athletic programs are doing great work. Congratulations to our athletes and the recognition they are bringing to the University.
In President Bradley’s recent update letter he recognized many people in the University community for their accomplishments.

I am proud to be a Sycamore.

**Report of the Chairperson of the Faculty Senate (Dr. Lamb)**

(Received the following report)

Since the last Board meeting, the Faculty Senate has had two additional meetings. The retention rate has been the primary concern.

As I am sure the Board is aware, the institution changed its grading system a couple years ago. Under our old system, we had the grades A, B+, B, C+, C, D+, D and F. The pluses were quite unusual in that they counted a full half letter grade. That is: an A was worth 4 points, a B+ was worth 3.5 and B was worth 3. Now, under the new system a plus is only worth .3 more than the host grade. And under the new system we introduced the existence of the minus grades all the way from A- to D-. Minuses are .3 less than the host grade. Since many faculty reduced the range of the host grade, and gave minus rather than the host grade, and since pluses were worth less than they were before, grade deflation occurred. It has been estimated that the average reduction in grades that occurred as a by-product of the new grading system was 0.15 points. The Faculty Senate begrudgingly accepted this argument. As a consequence, the Faculty Senate changed the 1.0 rule which dismissed freshmen who had achieved less than a 1.0 in their first semester to a rule which dismissed students who had achieved less than an 0.85. We also encouraged Deans to exercise their discretionary powers, and make exceptions to that rule to those below 0.85, that they judged had a reasonable chance of redeeming themselves without having to take some time off from the University.

We also are wrestling with possible changes to our grading system itself. We did reduce the GPA necessary to achieve the Dean’s list down from a 3.75 to a 3.5 which is consistent with nearly all institutions in Indiana.

The faculty, however, are very concerned about the recent behaviors of too many of our new students. Their poor class attendance and their study habits are troubling. Great efforts are being made by both the administration under Jennifer Schriver’s leadership as well as by the faculty to understand and alter this behavior. Linda Maule, who is the director of Foundation Studies held a faculty forum where this issue was discussed and suggestions were offered. Apparently the attendance was wonderful, (about 80 faculty). Both Jennifer Schriver and Linda Maule will be making reports to the Faculty Senate at its next meeting. We have also been pleased with the range of suggestions and the effort that the President is putting forth concerning this issue ranging from the possibility of a freshman College to requiring card (ID) swiping in class rooms and/or developing contracts with AOP students. I am confident that our retention issue will continue to be examined and alternatives tried until we determine that which works. This set of students has been most challenging. I am also pleased that the President is most interested in attempting to reverse the downward trend in the average freshmen SAT score. This score has slipped 40 points from its high. With the increase in our number of applications, hopefully, we can begin to be more selective and identify markets that have improved success ratios.

On other matters, the Graduate Council developed an Academic Renewal Policy. This policy provides Academic Renewal as an option to returning student applicants who have been out of school for a significant period of time and whose previous academic performance may not be indicative of the academic work of which they are now capable.

Graduate Council also developed policies for acceptance of prior learning. Graduate programs may provide students with an opportunity to receive a limited amount of graduate credit as a result of an appropriate assessment of prior
We passed a motion approving the revised University’s EEO and Non-Discrimination Policy Statement. The phrase ‘including gender identity or expression’ was inserted into the following statement:

“Indiana State University does not discriminate on the basis of sex, race, age, national origin, sexual orientation, including gender identity or expression, religion, disability, or veteran status. In line with its commitment to equal opportunity, the University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications meeting established criteria.”

Of course, this change is contingent upon Board approval.

We also had to pass a number of alterations in the handbook that stemmed from the handbook change in the definition of Regular Faculty. That term used to mean tenured and tenure track faculty. The new Board approved definition makes the term more inclusive. As you may recall it now includes contract Faculty who have two or more year contracts. We did not examine the handbook carefully enough to determine the impact that this change in definition brought about. Given the change, the handbook left open the possibility of giving tenure to contract faculty as well as sabbaticals. This was never intended. Therefore changes are before you in handbook language, which will successfully address the situation.

In our domain of primary authority we approved a new concentration in Health Psychology which will be available in the major of Health Sciences. This concentration is a collaboration between the departments of Applied Health Sciences and Psychology. We also approved a minor in Massage Therapy in the Department of Applied Medicine and Rehabilitation. And again, this is dependent upon Board approval.

REPORT OF THE STAFF COUNCIL PRESIDENT (Ms. Hall)
(Ms. Hall submitted the following report)

The Staff Council has had a change in officers in the last month. I am happy to announce that Christie Jacob is now the Vice-Chair and Jayme Payne is our new Secretary. Both of them are great additions to the Executive Committee.

I would like to take the time today to recognize the Staff Choir members and their Choir Director Karen Buchholz. The choir this year has done an amazing job and if you have not heard them sing yet, I encourage you to do so.

The Staff Council at our December meeting collected toys for the children at Ryves Hall and I am happy to report that we collected over $350.00 worth of toys and gift cards. Also, the Council helped out a family in need because of a fire at their home by donating toys and a gift card. I am really proud of the donations that each representative gave at this time of year and I commend them for their efforts.

For the New Year, the Staff Council is working on changes to our By-Laws. The By-Law Committee has met and made suggested changes, the Council has voted once to approve those changes and we will vote again in January and have them ready for Board approval at the February meeting. The changes will be in the Election process and Grievance process.

I would like to wish everyone Happy Holidays and have a great break.

REPORT OF THE STUDENT GOVERNMENT ASSOCIATION PRESIDENT (Mr. Utterback)
(Mr. Utterback submitted the following report)
While the last bit of students are finishing their finals as we speak, it marks the end of a great fall semester. The final event to take place will be Winter Commencement tomorrow in Hulman Center, and I would like to congratulate all of those students who will be ending their academic careers here at Indiana State University. I hope all of you plan on being in attendance for this memorable event. I would also like to commend you for your efforts this semester in helping make ISU a remarkable place to attend school. Please continue these efforts as Indiana State persists to grow and become an even better place for students to pursue their academic dreams.

SGA has been very busy since we have last convened. One of the biggest accomplishments would be passing through the Faculty Senate a change in the Dean’s List requirement. To better align with fellow Indiana institutions and also sister schools within the Missouri Valley Conference, SGA and the Student Affairs Committee worked diligently to propose a change to the current Dean’s List requirement. With the passing of this proposal, students can now be rewarded for their efforts and be honored with Dean’s List recognition by earning a 3.5 cumulative GPA for the semester. I would like to take this time to thank all of those individuals who worked hard to accomplish this and the Faculty Senate for passing it quickly. Continuing on the academic side of things, SGA has been hearing and addressing student concerns about study week violations. It is our duty and obligation to students to voice their concern and also ensure their student rights are not being violated. This process has been proceeding adequately, and we believe all student concerns that have been voiced have been addressed appropriately.

Blue Crew has been moving along nicely as we are entering into basketball season. It is our job to provide a winning atmosphere for our sports teams, and with the way they are playing it shouldn’t be difficult. It you ever feel the need to get a more in depth experience with school spirit, please join us in the student section where you will be warmly welcomed.

Lastly we have just finished providing funding to student organizations for the spring semester. With the help of the President we have provided $22,496 of the budgeted $22,500 to 68 various and diverse organizations. We couldn’t be more pleased with how this process went and, we hope all of the organizations who received funding will be able to carry out their functions as planned. This is something we take pride in and will continue to do as long as the proper funding is provided. After all we are here to serve our fellow student peers. Thank you for all your hard work you put into this university and have a very happy holiday.

REPORT OF THE UNIVERSITY PRESIDENT (Dr. Bradley)
(Dr. Bradley submitted the following report)

Winter Commencement weekend is here, and I am looking forward to celebrating our students’ achievements at tomorrow’s ceremony.

This class of graduates will have the opportunity to hear from an ISU alumnus who is an international humanitarian. Dean Hirsch, former president of World Vision International, will provide the alumni address. Dean oversaw a period of significant growth in his organization’s ability to respond to large-scale disasters. Globally, Word Vision benefits more than 3.6 million children and their families.

The student speaker, Judy Branham, is earning her bachelor’s degree at the age of 53. A Parke County resident, Judy was a Hoosier Scholar when she graduated from high school in 1976. Life circumstances prevented her from taking advantage of a full-ride scholarship she had received. She entered ISU in 2009 after having completed an associate’s degree at IVY Tech Community College. She is currently writing a book about the research she conducted while at ISU and hopes to build a career as a freelance writer of human interest stories.

Shelley Mitchell, from Batesville, is the recipient of the President’s Medal for Leadership, Scholarship and Service. She will graduate tomorrow with degrees in music education and vocal performance.
Three students, Alissa Miller, Rachel Posey and Shawn Sills, have earned the Hines Medal for their academic achievements.

Another student who has recently earned recognition as Miss Indiana State University 2012, Ayanna Sykes is here with us today. Congratulations Ayanna.

The Indiana Commission for Higher Education has released its revised metrics for performance-based funding for the 2013-2015 biennium. We are currently doing an analysis of these metrics to understand what it means to Indiana State and to identify areas where we can improve.

On the enrollment front, admits for 2012 are running ahead of this time last year, currently 614 admits ahead. This puts us in an excellent position to work on improving the yield of admitted students to enrolled students. The enrollment management area has several new initiatives planned to stay better connected with prospects during the critical decision-making time. One strategy is to begin sending financial aid and scholarship packages to students on March 15, which is two weeks earlier than last year. The Admissions Office will need assistance from everyone on campus to improve our yield. Increasing our personal contacts with students can make a difference in a student’s decision.

I would like to provide an update on our efforts to address affordability. The Task Force on Affordability and its four subcommittees has been meeting regularly since October.

The subcommittees are:

1. Books and Supplies chaired by Professor Robert Guell
2. Facilities, Services and Administrative Structure chaired by Vice President Diann McKee
3. Housing and Dining chaired by Vice President John Beacon
4. Instruction chaired by Dean John Murray

Provost Jack Maynard is chairing the Steering Committee which includes the subcommittee chairs along with Vice President Carmen Tillery, Faculty Senate Chair Steve Lamb, Staff Council Chair Kelly Hall, and Student Government President Nick Utterback.

I have asked the task force and its subcommittees to consider any possible means of controlling costs while maintaining quality. Most of our efforts will need to be long-term and systemic in nature. Consistent, incremental changes will make a difference over time, and the compounding effect can be dramatic.

The reports and recommendations from the subcommittees are due to the Task Force Steering Committee by mid-January. I am planning to have a seminar to share the results of this work at the Board’s February meeting. This will not be an easy challenge, but I am confident that the task force will uncover some options that will have a meaningful impact.

I would like to wish everyone a wonderful holiday season.

Handbook Clarifications Concerning Faculty Terminology

Description. There have been Handbook modifications over the last several academic years that have changed various items of terminology concerning faculty. Definitions of faculty are generally relevant to determine voting rights at various levels in the institution, tenure, and benefits. The Faculty Senate has worked with Melony Sacopulos to review the Handbook in full and to bring consistency to faculty terminology. Below is part of the clarification process to bring consistency and clarity to this terminology.

Recommendation: Approve this clarification, with the understanding that more clarifications will follow.

On a motion by Mr. Pease, seconded by Mr. Pillow, the recommendation was approved.

Handbook Clarifications concerning Faculty Terminology

1

270.9 University Athletic Committee.
270.9.2 Membership. The Committee consists of 16 voting members appointed by the President of the University, being mindful of maintaining cultural diversity and gender balance. Seven (7) are members of the regular, full-time teaching tenured or tenure-track faculty, including the faculty representative to the NCAA; three (3) are administrators (representing the Vice President for Student Affairs, Vice President for University Enrollment Marketing and Communications, University Treasurer); four (4) are students; one (1) is a member of the Support Staff Council; and one (1) is a graduate of the University.

2

305.2 Faculty Appointment Classifications.
305.2.4 Regular Faculty. Regular Faculty shall include tenured and tenure-track faculty, and shall also include instructors who perform at least 15 hours of instruction, or equivalent, and who work pursuant to a 2-5 year or a rolling contract. Initial appointments are made at the rank of assistant professor/librarian, associate professor/librarian, or professor/librarian. These ranks are for full-time faculty beginning a probationary period leading to eligibility for tenure.

3

305.5 Policy Regarding Awarding of Tenure.
305.5.2 General Time Requirements for Consideration of Tenure. Regular Tenure-track faculty members become eligible for continuous appointment (award of tenure) after satisfactorily completing a probationary period with annual reviews and six (6) years of full-time service in accredited institutions, at least four (4) of which must have been served under a tenure-track appointment at Indiana State University, except as cited below.

305.5.6 Eligibility for Tenure. Individuals beginning their probationary periods at the rank of assistant professor/librarian become eligible to apply for an award of tenure during the sixth year of continuing faculty achievements under a regular Tenure-track faculty appointment in accredited institutions, at least four (4) years of which must have been served under a regular Tenure-track faculty appointment at Indiana State University.  

305.8.4.1 Negative Recommendation. If the Committee's recommendation is negative, the candidate may elect to a) terminate the appeal process, or b) prepare a written response, which is forwarded with his/her materials to the University President. In choosing to terminate the process, except in cases of early consideration, a candidate for tenure also withdraws from consideration for further regular tenured or tenure-track faculty appointment at Indiana State University beyond one (1) academic year following the year of the process. A tenured candidate for promotion who terminates the appeal process may later apply for promotion without prejudice.
310.1.1.4 Time for Teaching Assignment. **Regular full-time teaching faculty** are expected to be available for assignment at any hour between 8 a.m. (7:30 a.m. during summer sessions) and the close of the academic day and also expected to be available for assignment each of the five (5) days of the academic week (Monday through Friday) and on Saturday when mutually agreed to by the department chairperson and the faculty member involved.

335.2.1 Regular Faculty Members. **A tenured or tenure-track faculty member** is eligible for a sabbatical leave after completion of twelve (12) semesters of full-time service subsequent to the date of appointment or since the end of the previous sabbatical leave.

350 ACADEMIC DEPARTMENT CHAIRPERSONS

350.5.3 Vacancy. Whenever a vacancy occurs in the position of chairperson of an existing academic department or one which is scheduled to exist as determined by the appropriate academic dean or his/her superior, the appropriate academic dean will so advise the department faculty members.

350.5.3.1 Nominating Committee. The full-time **regular tenured and tenure-track faculty** members of the department should then proceed to elect a nominating committee composed of at least five (5) but not more than seven (7) full-time **regular tenured and tenure-track faculty** members who shall conduct a search for candidates.

350.5.3.1.2 Additional Member. If five (5) department members having full-time appointments are not available, the members of the department may, with approval from the appropriate academic dean, select one (1) or more full-time **regular tenured or tenure-track faculty** members from closely-associated academic disciplines to serve on the committee.

350.5.3.1.4 Candidate Nominations. The nominating committee shall recommend to the appropriate academic dean possible candidates who, if not on campus, should be invited to the University for interview. The dean shall approve or disapprove such visits. The nominating committee shall obtain evaluations from each full-time **regular tenured or tenure-track faculty** member, or as many as interviewed each candidate.

350.5.4 Removal.

350.5.4.1 Departmental Faculty Communication. After serving at least one (1) academic year as chairperson, a chairperson may be relieved of his/her administrative post provided at least 50 per cent of the full-time **regular tenured or tenure-track faculty** members of the department endorse a written communication to the appropriate academic dean giving support of such action.

350.5.4.2 Investigation. The academic dean shall conduct an investigation and convey his/her observations and recommendations to the Provost and Vice President for Academic Affairs.

350.5.4.4 Acting Chairperson.

350.5.4.4.1 Nominations. The dean of the school or college within which the vacancy occurs shall invite nominations for acting chairperson from all full-time regular members of the department, to which list the dean may add other nominees. The dean shall then determine, by a poll of the full-time **regular tenured or tenure-track faculty** members of the department, the degree of support for each nominee.

380.2 Research/Creativity Awards.

380.2.1 Requirements. Candidates for the award must be **regular tenured or tenure-track** full-time members of the Indiana State University faculty. In addition, their work must meet the following requirements:

A. Research/creativity other than that completed to satisfy advanced degree requirements.

B. Research/creativity substantially completed while the candidate was a **regular tenured or tenure-track** full-time member of the Indiana State University faculty.
C. Research/creativity representing a single major contribution completed within the four (4) years immediately prior to application, or outstanding contributions that have characterized one’s professional life.
D. Research/creativity which represents a contribution of national significance to a candidate’s field of specialization.

380.2.2 Nomination Process. Forms may be obtained from the College of Graduate and Professional Studies. Any regular tenured or tenure-track full-time faculty member may nominate himself/herself. Faculty, department chairpersons, and deans are encouraged to nominate faculty colleagues.

Item (IV)(a)(iii):
Voluntary Vision Insurance for 2012

United Health Care Specialty Benefits has presented the University with a renewal proposal for voluntary vision insurance coverage for the period of January 1, 2012 through December 31, 2013 with no change in coverage or employee premium rates.

**Recommendation:** Approval of the vision coverage renewal for 2012 thru 2013.

On a motion by Ms. Bell, seconded by Mr. Minas, the recommendation was approved.

Item (IV)(a)(iv):
University Health Benefits Plan for 2012

**Employee Health Coverage:** It is recommended that the University’s self-insured medical plan continue to be administered by CIGNA. Retirees who are not yet 65 are retained on this coverage plan until age 65. There are no recommendations for changes in covered items.

**Employee Prescription Drug Card:** It is recommended that the University continue to utilize the State of Indiana Aggregate Prescription Purchasing Program (IAPPP) administered by MEDCO with the following recommended management additions:

- Coverage Management – requires physician review for specific drugs to allow for a specified quantity per evidence based literature. Also requires coverage for certain uses and/or requires certain criteria for coverage.

- Concurrent Drug Utilization Review – each prescription being filled is screened for a broad range of patient safety considerations prior to dispensing. These may include drug-drug interactions, drug allergies, and therapy duplication.

- Formulary Co-Pay Tier – Medco has recommended adding a formulary co-pay tier. There will be no change in co pay for prescriptions purchased that are on the approved formulary list. Members would pay $20 plus 50 percent of the cost over $20 per fill for prescriptions that are not on the formulary list.

**Retirees Over Age 65:** It is recommended that the fully-insured plan for retirees who are over age 65 be continued with NEBCO/AmWins with no change in coverage.
Dental Coverage: It is recommended that the University’s dental coverage continue to be administered by Delta Dental of Indiana with no change in coverage.

Specific Stop Loss: It is recommended that coverage for the specific stop loss of $225,000 be continued.

Administrative Fees:

The monthly per capital administrative fees for medical, including network access, dental and reinsurance costs are listed below.

Contribution Rates:

After a careful review of the claims experience for 2011, trend (inflation) factors for 2012, increased administrative fees and specific stop loss coverage, it is recommended that an overall increase of 2 percent in health rates be implemented for 2012. The 2012 rates include a 1.6 percent shift in the University and employee cost share percentages as part of a five year plan that will increase the employee share to 33 percent. As a result, employee rate increases will range from $9 per month in the lower salary tier ($4.50 per bi-weekly pay) to $33 per month in the highest salary tier.

The fully insured retiree plan administered by NEBCO will increase 5.5 percent for 2012 as a result of higher utilization of prescription drugs. The 2012 retiree rate includes a 2.6 percent shift in the University and retiree cost share percentages as part of a five year plan that will increase the retiree share to 33 percent. As a result, the retiree rate increase for Option 1 is $11 per month per retiree. The 2012 proposed rates are shown below.

**Recommendation:** Approval of the changes in the University Health Plans for employees and retirees as outlined above with an increase in rates as described, effective January 1, 2012.

On a motion by Mr. Minas, seconded by Mr. Campbell, the recommendation was approved.

**Item (IV)(a)(v): Moving/Relocation Expense Policy**

A moving/relocation expense policy has been developed to comply with IRS requirements for employee reimbursement of relocation costs. Qualified and non-qualified expenses are outlined as well as required eligibility and authorization. The policy is presented below.

**Recommendation:** Approval of the Moving/Relocation Expense Policy.

On a motion by Ms. Bell, seconded by Mr. Baesler, the recommendation was approved.
Moving/Relocation Expense Policy

As part of Indiana State University’s commitment to recruiting the most qualified candidates, the University may provide monetary assistance and reimbursement for certain expenses associated with the relocation of new employees and their families to the Terre Haute area.

These policies and procedures set forth guidelines to ensure that university funds allocated toward recruitment and relocation are appropriately approved by the hiring department and processed in compliance with University policies and Internal Revenue Service (IRS) requirements.

Policy Details

Eligibility and Authorization

- IRS guidelines for reimbursement require that the distance between the old home and the new place of work be at least 50 miles greater than the distance between the old home and the old place of work.
- The hiring department will be responsible for the reimbursement of eligible moving expenses and should meet the guidelines in this policy.
- The University president, vice presidents and deans are authorized to decide whether to offer moving expenses on a case-by-case basis up to the limits set forth in this policy.
- The principal individual being relocated will be a regular, full-time employee.
- The move should take place within 12 months of the employee’s start date.

Covered Expenses

Reasonable relocation expenses, up to 8% of the employee’s base salary or $15,000, whichever is less, may be reimbursed in accordance with IRS guidelines.(see below) However, the University president, vice presidents and deans have the authority to set a “not to exceed” lower limit. All exceptions to this policy must be approved in advance by the appropriate Vice President or by contract negotiated by ISU Board of Trustees. These rates are subject to annual review and may be adjusted based upon changes in business conditions. The Vice President for Business Affairs and Finance will be authorized and responsible for adjusting these rates after consulting with the University President.

Any approved relocation expenses and payment options should be negotiated with the new employee during the hiring process. The letter of offer should specify the payment option selected and define the maximum amount. A copy of this policy should also accompany all employment offers where the University is agreeing to provide moving assistance.

Allowable reimbursements by the University may have tax consequences for the employee. All relocation reimbursements will be reported on the employee’s W-2. Expenses considered qualified by the IRS will be shown as an excludable moving expense reimbursement and is reported on the W-2 as informational reporting only. Expenses considered nonqualified by the IRS will be considered taxable income and will have taxes withheld in the earliest pay periods available. More information on the IRS guidelines for reimbursement of moving/relocation expenses may be found at [www.irs.gov](http://www.irs.gov). Employees are encouraged to consult with a personal tax professional for advice on the tax implications of any moving reimbursements.

As with all contract or grant funds expenditures, it is the responsibility of the Principal Investigator to guarantee that all expenditures are made in accordance with all applicable contract or grant restrictions. In considering incurring expenses such as those addressed in this policy, PI's should keep in mind that the more restrictive policy/contract terms or budget (ISU vs contract/grant) will prevail.
Qualified (Non-taxable) Moving Expenses

Items that may be reimbursed and not included in taxable income on the employee’s W-2 are:

1. Transportation of household goods and personal effects:
   a. Cost of moving company (the cost of using a moving company may be direct-billed to ISU and paid directly to the moving company by ISU).
   b. Cost of truck rental in a self-move situation.
   c. Mileage reimbursement in a self-move situation, at the current rate established by the IRS, parking fees, and tolls.
   d. Charges for packing, crating, mailing and/or shipping household goods; and other misc packing supplies.
   e. Insuring of household goods for full value.
   f. Car shipping cost or towing device for rental truck to tow personal vehicle (cost in lieu of mileage).
   g. Storage after moving out of old residence and before moving into the new residence (30-day limit).

2. Travel to new household:
   a. Airfare (coach only).
   b. Lodging only while in transit (this includes one night at the old location and one night upon arrival at the new location).
   c. Mileage reimbursement at the current IRS established rate.
   d. Parking fees and tolls while in transit.
   e. You are allowed only one trip to your new home for yourself and the members of your household; however, you do not have to travel together. Traveling by shortest, most direct route available by conventional transportation. Any side trips would not be qualified.

Nonqualified (taxable) Moving Expenses

Nonqualified moving expenses are considered additional compensation to the new employee and must be processed through the payroll process. Below are examples of taxable, nonqualified moving expenses that will be reported as federal wages on the employee’s W-2:

1. Travel and lodging costs incurred during additional trips from the old residence to the new residence.
2. Cost of meals at any point in the relocation process (based on current federal per diem rates for meals and incidental expenses).
3. House hunting expenses (one trip, not to exceed five days) may include:
   a. Mileage reimbursement at the current IRS established rate.
   b. Lodging.
   c. Airfare (coach only).
   d. Rental car (economy); in certain circumstances a larger vehicle may be rented with documented advance University approval.
   e. Tolls, taxi, or parking.
   f. Temporary housing.

Non-Reimbursable Expenses

Expenses that do not qualify as moving and are not paid by the University include:

1. Side trips for recreation/vacation.
2. Expenses associated with buying/selling a house (i.e. closing, realtor fees, etc).
3. Automobile registration costs.
4. Temporary housing (more than one month).
5. Loss of security deposits.
6. Real estate expenses.

Payment/Reimbursement
An employee may either have eligible moving/relocation expenses direct billed to Indiana State University and/or apply for reimbursement of covered expenses up to the authorized amount as specified in the employee’s appointment letter.

**Direct Payment**
ISU can make direct payments to moving companies as long as the payment being made is for the transportation of a new employee’s household goods and personal effects. Arrangements to contract with a moving company that is going to be direct billed must be approved in advance by the Director of Purchasing. ISU reserves the right to require multiple bids from moving contractors.

**Reimbursement**
Reimbursement of eligible moving/relocation expenses will be made upon arrival of the employee. Employees will need to complete the Indiana State University Employee Moving Expense Reimbursement Worksheet, obtain required signatures, and provide required receipts.

**Item (IV)(a)(vi):**
**Modification of Hospitality Policy, Handbook Section 641.9.1**

Certain clarifications to the Hospitality Policy, as approved by the Board of Trustees on May 7, 2010, are needed in order to improve administration of the policy. Approval is requested for the following modifications of Section 641.9.1 as follows:

Current provision:

**641.9.1 Meals or Refreshments Served During Business Meetings.** The University may pay or reimburse individuals for actual expenses incurred for meals whose primary purpose is a business discussion. Business meals must include at least one non-University employee whose presence is necessary to the business discussion. Expenses may be incurred only for those individuals whose presence is necessary to the business discussion. These may occur either locally or during out of town travel.

**641.9.1.1 Business Purpose Requirement.** The University will not pay or reimburse meal expenses that lack documentation or a clear business purpose. Meetings attended solely by University employees and gatherings that are primarily social in nature do not qualify for payment or reimbursement as business meals. However, occasional meals provided as part of a University function may be permitted (see policy on University Functions below).
641.9.1.2 **Occasional Meals.** Provision of food to gatherings of University employees on a daily or similar ongoing basis is not considered to be an appropriate use of state funds. Food may however be provided at meetings of University employees on an occasional basis. For example, it may be appropriate to provide food at a "working" breakfast, lunch or dinner, particularly when the employees are giving up personal time to conduct University business. A formal business discussion must be the primary purpose for the gathering. For purposes of this policy, “occasional” is defined as no more than six times during a fiscal year.

641.9.1.3 **Use of ISU Foundation Funds.** If a college or vice presidential area wishes to provide food to gatherings of University employees on a more frequent basis, it may do so with ISU Foundation funds. However, the Foundation should be contacted in regard to their policies before doing so. A formal business discussion must be the primary purpose for the gathering.

641.9.1.4 **Examples.** Following are examples of business meeting where meal and refreshment expenses are allowable.

(a) Meals related to the individual recruitment of faculty or staff. When entertaining prospective employees, only meal expenses for the prospective employee and the principal individuals involved in the decision-making process will be considered allowable meal expenses. When the spouse/partner of the prospective employee is present at the meal, the University will also reimburse the meal expenses of the spouse/partner or guest of the principal individuals responsible for the recruiting.

(b) Meals or refreshments served during University sponsored meetings of advisory groups, outside reviewers, or other committees when the group is composed of both University employees and non-employees.

(c) Meals for individuals invited as academic visitors to contribute to the intellectual life of the University community. Normally, such visitors will deliver a seminar, colloquium talk, or other lecture or performance for the benefit of University faculty and/or students.

(d) Meals related to marketing University facilities and services to secure potential conference business. When entertaining guests from external organizations that are considering conference arrangements with the University, only meal expenses for the guest and the principal individuals involved in the conference selection process will be reimbursed.
(c) Working breakfast, lunch or dinner meetings, when groups of employees are giving up personal time to conduct University business. A formal business discussion must be the purpose of the gathering.

Proposed provision:

(e) Refreshments for training sessions when training is provided by campus Human Resources or professional development activities, or is facilitated by an external training consultant.

(f) Working breakfast, lunch or dinner meetings, when groups of employees are giving up personal time to conduct University business. A formal business discussion must be the purpose of the gathering. This does not permit lunch only meetings. To qualify, a meeting must be of at least one-half day duration.

**Recommendation:** Modification of Section 641.9.1.

On a motion by Mr. Pillow, seconded by Ms. Bell, the recommendation was approved.

**Item (IV)(a)(vii): Construction of In-Fill Student Housing**

The long-term plan for student housing includes the renovation of Lincoln Quad. Renovations of this type normally result in a reduction in the number of beds available to provide for improved facilities and meet current building codes and standards. In order to maintain the existing level of available beds within the Student Housing System it is necessary to construct in-fill housing to replace those lost through renovation. The proposed in-fill housing project is to be located adjacent to Lincoln Quad and will consist of 352 beds. Authorization to begin work on this project is needed to retain architectural and engineering services and receive construction bids. The work is scheduled to begin
in the summer of 2012. Project cost is not to exceed $24,000,000. Funding for the project will be from residence hall reserve funds and long-term debt issued in the form of bonds.

**Recommendation:** Authorization for the President of the University and/or Treasurer of the Board of Trustees to request from the Commission for Higher Education, the State Budget Committee, and the Governor of the State of Indiana authority to expend up to $24,000,000 for the construction of in-fill student housing to be located in the northwest quadrant of campus. The President of the University and/or Treasurer is further authorized to take the following action:

a. To develop a plan of financing for the construction of in-fill student housing and to obtain all necessary State approvals; and

b. To engage CSO Architects, Inc. to provide architectural and engineering services and prepare construction documents; and

c. To enter into contracts to renovate, equip, and to finance the construction of in-fill student housing once State approval has been obtained.

On a motion by Ms. Tucker, seconded by Mr. Pease, the recommendation was approved.

**Item (IV)(a)(viii): VEBA Trust Contribution**

In 1998 the University established a Voluntary Employees Benefit Association Trust (VEBA) to set aside reserves to offset the liability for post employment benefits (retiree health and life insurance). Since that time contributions in excess of $2,000,000 have been made annually to fully fund this obligation. The adopted 2011-12 current operating budget includes the discontinuance of these contributions, effective January 1, 2012.

**Recommendation:** Authorize University Treasurer as Plan Manager to discontinue contributions to VEBA Trust, effective January 1, 2012.

On a motion by Ms. Bell, seconded by Mr. Lowery, the recommendation was approved.

**Item (IV)(a)(ix): Parking System Revenue Bond Resolution**

Issuance of tax-exempt borrowing in the amount of $4,000,000 is needed to finance the purchase of the non-transit portion of the Multi-Modal Transportation Facility located at 7th and Cherry in Terre Haute, Indiana as authorized by the Board of Trustees on February 18, 2011. The remainder of the $4,850,000 purchase price will be funded using Parking System reserves.

The resolution, as shown below, allows for authorization and approval of the issuance of tax-exempt borrowing secured by net income of the Parking System subject to final approval by the State Budget Director.
**Recommendation:** Approval of the resolution shown below allowing the President of the University and/or Treasurer of the Board of Trustees to submit and obtain all necessary state approvals for a plan of financing and subsequent issuance of tax-exempt borrowing in the total principal amount not to exceed $4,000,000.

On a motion by Mr. Pease, seconded by Mr. Campbell, the recommendation was approved.

RESOLUTIONS OF
THE BOARD OF TRUSTEES FOR THE
INDIANA STATE UNIVERSITY BOARD OF TRUSTEES
APPROVING AND AUTHORIZING THE SALE OF THE
INDIANA STATE UNIVERSITY
PARKING SYSTEM REVENUE BONDS, SERIES 2012

WHEREAS, the Board of Trustees (the “Board”) of the Indiana State University Board of Trustees (the “University”) has full power and authority under and by virtue of the laws of the State of Indiana, including, more particularly, the provisions of Indiana Code 21-35-1 et seq., to issue bonds to finance and refinance parking facilities on its campus in Terre Haute, Indiana, such bonds to be secured by the net income derived from such facilities; and

WHEREAS, the Board has determined that a necessity exists to consider financing all or a portion of the costs of the acquisition of a certain new parking facility on the University’s campus in Terre Haute, Indiana, as described in Exhibit A attached hereto (the “Project”); and

WHEREAS, the Treasurer of the University (the “Treasurer”) will investigate, develop and evaluate a Plan of Financing (the “Plan of Financing”) for the financing of all or a portion of the costs of the Project; and

WHEREAS, the Board now desires to authorize the Treasurer to effectuate such a Plan of Financing for the financing of all or a portion of the costs of the Project; and

WHEREAS, the University has determined that a necessity exists to consider having the University execute and deliver a new Indenture of Trust (the “Indenture”) to First Financial Bank, N.A. (the “Trustee”), for the purpose of securing its Indiana State University Parking System Revenue Bonds (hereinafter sometimes referred to as the “Bonds”), to be issued from time to time thereunder; and

WHEREAS, the Indenture will authorize the issuance of an initial series of Bonds by the University and the authentication and delivery of such initial series of Bonds by the Trustee under the conditions set forth in the Indenture, which conditions have been complied with (subject to any approvals as may be required from the State Budget Committee and the State Budget Director of the State of Indiana) so as to authorize the issuance, authentication and delivery of an initial series of Bonds by the Trustee under the conditions set forth in the Indenture, to provide the funds required for financing all or a portion of the costs of the Project; and

WHEREAS, the Board now desires to authorize the execution and delivery of the Indiana State University Parking System Revenue Bond, Series 2012 (the “Series 2012 Bond”), and the Indenture, a First Supplemental Indenture (the “First Supplemental Indenture”), a Construction and Rebate Agreement (the “Rebate Agreement”), a Bond Purchase Agreement (the “Bond Purchase Agreement”), a form of the Series 2012 Bond, and any further documents required to complete the execution and delivery of the Series 2012 Bond (subject to any approvals as may be required from the State Budget Committee and the State Budget Director of the State of Indiana); and
WHEREAS, there has now been made available to the Board a form of Indenture, a form of First Supplemental Indenture, a form of Rebate Agreement, and a form of Bond Purchase Agreement in connection with the issuance of the Series 2012 Bond in a principal amount not to exceed $4,000,000; and

WHEREAS, the Board now desires to authorize and direct the President of the University (the “President”) and the Treasurer to do any and all acts and things, to seek any necessary approvals from the State Budget Committee and the State Budget Director of the State of Indiana, and to make and approve all changes in form or substance to the Indenture, the First Supplemental Indenture, the Bond Purchase Agreement, or the Rebate Agreement, necessary to secure approval of the transaction contemplated herein by the State of Indiana; and

WHEREAS, in the event the President and the Treasurer should conclude that it would be in the best interest of the University to finance all or a portion of the costs of the acquisition of the Project through the issuance of a junior lien note under the Indenture, pursuant to a loan agreement with a financial institution (rather than the issuance of a first lien Series 2012 Bond, pursuant to the First Supplemental Indenture), the Board further desires to authorize the Treasurer to develop and effectuate an alternative Plan of Financing for the financing of all or a portion of the costs of the Project, which would include the issuance of a junior lien note and would further include the execution and delivery of a loan agreement with a financial institution and such other documents and certificates as necessary and appropriate in connection with such alternative Plan of Financing; and

WHEREAS, the University intends to acquire, construct, equip, renovate and/or rehabilitate the various components of the Project, and reasonably expects to reimburse certain costs of the Project with proceeds of debt to be incurred by the University; and

WHEREAS, the University expects to issue debt not exceeding $4,000,000 in aggregate principal amount for purposes of financing, refinancing or reimbursing all or a portion of the costs of the Project;

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

The Treasurer is hereby authorized to investigate, develop, evaluate and effectuate a Plan of Financing with respect to the financing of all or a portion of the costs of the Project.

The issuance of the Series 2012 Bond by the University on the terms and conditions set forth in the First Supplemental Indenture is hereby authorized in the total principal amount not to exceed $4,000,000. The Series 2012 Bond shall be designated the “Indiana State University Board of Trustees, Indiana State University Parking System Revenue Bond, Series 2012”. The true interest cost of Series 2012 Bond shall not exceed 4.5%, and with such maturity, principal payment and redemption features as the executing officers shall approve. The final maturity of the Series 2012 Bond shall not extend beyond April 1, 2017. The Series 2012 Bond shall be sold pursuant to the Bond Purchase Agreement to the Purchaser who may be selected pursuant to Section 12 below.

The President and the Treasurer are hereby authorized and directed to do any and all acts and things, to seek any necessary approvals from the State Budget Committee and the State Budget Director of the State of Indiana, and to make and approve all changes in form or substance to the Indenture, the First Supplemental Indenture, the Bond Purchase Agreement or the Rebate Agreement necessary to secure approval of the transaction contemplated herein by the State of Indiana.

The Indenture and the First Supplemental Indenture are hereby approved in substantially the forms submitted to the Board and are made a part of this Resolution as if fully set forth herein. The President and the Vice President of the University (the “Vice President”), or either of them, are
The Treasurer is hereby authorized to prepare the bond form required for use in the issuance of the Series 2012 Bond, on the terms and conditions set forth in the First Supplemental Indenture, and to cause the same to be executed manually or by facsimile by the proper officers of the University as provided in the First Supplemental Indenture and the Indenture. Upon execution of the Series 2012 Bond, the Treasurer shall deliver the Series 2012 Bond to the Trustee for authentication, and upon its authentication, the Treasurer is authorized and directed to deliver the Series 2012 Bond to the Purchaser thereof upon payment of the purchase price.

The President, Vice President, Treasurer, Secretary and Assistant Secretary, or any of them acting singly or jointly, are hereby authorized and directed to do any and all further acts and things necessary underlying the execution and delivery of such additional or supporting agreements, documents or certificates as may be requested or necessary in order to complete the transactions contemplated by the Bond Purchase Agreement, the Indenture, the First Supplemental Indenture or the Rebate Agreement hereby authorized.

The Board hereby authorizes the Treasurer to make a calculation (if any is necessary) with respect to the coverage factor of Net Income to Average Annual Debt Service Requirements after the issuance of the Series 2012 Bond.

The Board hereby ratifies the selection of, and appoints, First Financial Bank, N.A., as Trustee for the Bonds under the Indenture.

The Board hereby ratifies the selection of, and appoints (i) Ice Miller LLP as bond counsel for the Series 2012 Bond, and (ii) John S. Vincent & Company LLC as financial advisor for the Series 2012 Bond.
In the event the President and the Treasurer should conclude that it would be in the best interest of the University to pursue an alternative Plan of Financing, in order to finance all or a portion of the costs of the acquisition of the Project through the issuance of a junior lien note under the Indenture, the Board hereby authorizes and approves any such alternative Plan of Financing (which would still be subject to the same interest cost and final maturity parameters set forth in Section 2 hereof); further approves the execution and delivery of such a junior lien note, as well as any necessary loan agreement with a financial institution and any additional or supporting agreements, documents or certificates as may be requested or necessary in order to complete such alternative Plan of Financing; and further authorizes and directs the President, Vice President, Treasurer, Secretary and Assistant Secretary, or any of them acting singly or jointly, to execute, delivery or attest any or all such agreements, documents or certificates, and to do any and all further acts and things necessary to consummate any such alternative Plan of Financing involving a junior lien note.

The President and Treasurer are hereby authorized to select a financial institution as Purchaser of the Series 2012 Bond (or as Purchaser of a junior lien note, if applicable), using their best judgment to serve the best interest of the University, and to accept any commitments and execute any agreements which may be necessary or advisable in connection with any such selection of a Purchaser.

The Board hereby declares its official intent to acquire, construct, equip and/or rehabilitate the Project described in Exhibit A; to reimburse certain costs of acquiring, constructing, equipping and/or rehabilitating the Project with proceeds of debt to be incurred by the University; and to issue debt not exceeding $4,000,000 in aggregate principal amount for purposes of financing, refinancing or reimbursing all or a portion of the costs of the Project.

Dated: December 16, 2011

EXHIBIT A

The Project

The Project consists of the acquisition of the non-transit portion of the Multi-Modal Transportation Facility from the City of Terre Haute, Indiana. Included in this facility is a 626 space parking garage.

The Multi-Modal Transportation Facility was constructed by the City in 2008 and is located at 7th and Cherry Streets in Terre Haute, Indiana, on property owned by the University. The overall cost of the acquisition is approximately $4,850,000, $4,000,000 of which will be financed from proceeds of the Series 2012 Bond and $850,000 of which will be paid from Parking System Reserves. No State funds are involved.

Item (IV)(a)(x):

Course Fee

The Bayh College of Education is partnering with the Kokomo-Center School Corporation to offer a PhD in Educational Leadership using a combination of distance education and on-site delivery in Kokomo, Indiana. Approval to offer this program off-site is currently pending with the Indiana Commission of Higher Education. This program will be offered using an entrepreneurial funding model intended to capture all of the direct costs of the program. As the on-site delivery in Kokomo necessitates significant additional travel expenses, a one-time fee of $600 attached to a first-semester course in the program is proposed to cover these travel expenses.
**Recommendation:** Approval of the $600 course fee for EDLR 682 sections offered off-site in Kokomo, effective with the Spring 2012 semester, pending ICHE approval of the Kokomo off-site program.

On a motion by Ms. Tucker, seconded by Mr. Baesler, the recommendation was approved.

**Item (IV)(a)(xi): MOU – ISU Foundation**

Below is an updated memorandum of understanding (MOU) between Indiana State University and the Indiana State University Foundation, effective July 1, 2011.

**Recommendation:** Approval of the MOU between the Indiana State University Board of Trustees and the Indiana State University Foundation Board of Directors, effective July 1, 2011.

On a motion by Ms. Bell, seconded by Mr. Campbell, the recommendation was approved.

**Memorandum of Understanding between the Indiana State University Board of Trustees and the Indiana State University Foundation Board of Directors**

This agreement, effective July 1, 2011, is between THE INDIANA STATE UNIVERSITY TRUSTEES (“the University”), located in Terre Haute, Indiana and THE INDIANA STATE UNIVERSITY FOUNDATION BOARD OF DIRECTORS (“the Foundation), an Indiana not-for profit corporation with principal offices located in Terre Haute, Indiana.

The Foundation was organized and incorporated in 1928 for the purpose of stimulating voluntary private support from alumni, parents, friends, corporations, foundations, and others for the benefit of Indiana State University.

The Foundation is the primary fundraising and resource development entity for the University. The Foundation exists to secure and manage private resources supporting the mission and priorities of the University, foster positive relationships with various constituencies, provide opportunities for students, and help ensure a margin of institutional excellence unavailable with state funds.

The Foundation is dedicated to assisting the University in the building of the endowment and in addressing, through financial support, the long-term academic and other priorities of the University.

As stated in its articles of incorporation, the Foundation is a separately incorporated 501(c)(3) organization and is responsible for identifying and nurturing relationships with potential donors and other friends of the University; soliciting cash, securities, real and intellectual property, and other private resources for the support of the University; and acknowledging and stewarding such gifts in accordance with donor intent and its fiduciary responsibilities.

Furthermore, in connection with its fund-raising and asset-management activities, the Foundation retains personnel experienced in planning for, managing and stewarding private contributions as well as the people or organizations that make such contributions, and works with the University to assist and advise in such activities.
In consideration of the mutual commitments herein contained, and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows to this Memorandum Of Understanding ("MOU"):

I. Foundation Name, Seal and Logotype
   A. Consistent with its mission to help to advance the plans and objectives of the University, the Foundation is granted the use of the name Indiana State University Foundation; however, the Foundation will operate under its own seal and logotype and shall not use the University seal or other identifying marks in the promotion of its business and activities unless deemed appropriate by the University to support the work of the Foundation in carrying out its mission and the services stated in this MOU.

II. Governance
   A. The Board of Trustees of the Indiana State University is responsible for overseeing the mission, leadership, and operations of the University.
   
   B. The Indiana State University Foundation Board of Directors is responsible for setting the priorities and long-term plans for the Foundation.
   
   C. The Indiana State University Foundation Board of Directors is legally responsible for the performance and oversight of all aspects of Foundation operations.

III. Foundation Relationship to the University
   A. The Foundation is responsible for the control and management of all assets of the Foundation, including prudent management of all gifts consistent with donor intent.
   
   B. The Foundation is responsible for the performance and oversight of all aspects of its operations based on a comprehensive set of bylaws that clearly address the Foundation’s fiduciary responsibilities, including expectations of individual Board members based upon ethical guidelines and policies.
   
   C. The Foundation will provide the University with services including, but not limited to, maintenance of alumni and development records; supervision of Alumni Affairs staff, events and operations; solicitation of gifts in accordance with the charitable gift policy; administration of gifts, gift funds, and trusts; stewardship and donor relations programs; and other services which may be requested by the Alumni program or staff and events of the University from time to time.
   
   D. The Foundation leadership will oversee and provide employment evaluation, compensation and services to Foundation employees.

IV. University Relationship to the Foundation
   A. The University Board of Trustees or their designees on the Foundation Board of Directors are responsible for communicating University priorities and long-term plans, as approved by the Board, to the Foundation.
   
   B. The University recognizes that the Foundation is a private corporation with the authority to keep all records and data confidential consistent with the law and the recognized practices of donor confidentiality.
   
   C. The University shall include the Foundation in the strategic planning process for the University.
   
   D. The President of the University Trustees, the University President and a second University Trustee elected by the Foundation Board shall serve as an ex officio member of the Foundation Board of Directors and all will have a prominent role in fund-raising activities.
E. The University will include the President of the Foundation as a member of the University President’s cabinet or senior administrative team.

G. As compensation for services provided, the University agrees to pay to the Foundation the fees outlined in Addendum A. Fees generally include but are not limited to service fees to provide for biographical record maintenance of alumni and current, potential or deceased donors, or supporting organizations; gift processing fees for receipting, acknowledging, accounting, and managing contributions; the oversight and development of an alumni program; and development fees for staff service in solicitation of gifts for the benefit of the University to include the organization and execution of fundraising campaigns.

H. The University also agrees to reimburse the Foundation for agreed upon financial support in a timely manner or based upon a payment schedule that is mutually agreed upon. Addendum A outlines current financial commitments the University is responsible for reimbursing to the Foundation.

I. The University will also provide benefits to Foundation employees such as health care, retirement, tuition remission or reimbursement, parking privileges and other such benefits associated with working at the University upon mutual agreement of University and Foundation leadership.

J. The University and its employees or assignees agrees to direct all philanthropic gifts to the Foundation for receipt, management and stewardship. Philanthropic gifts are considered to be but are not limited to gifts from foundations, individuals, public entities or corporations. The University leadership will follow generally accepted practices of distinguishing between philanthropic commitments and financial commitments associated with grants through sponsored programs.

V. Foundation Responsibilities

A. Fund-Raising

1. The Foundation shall create an environment conducive to increasing levels of private support for the mission and priorities of the University.

2. The Foundation, in consultation with the University leadership, is responsible for planning and executing comprehensive fund-raising and donor-acquisition programs in support of the University’s mission. The programs include annual giving, major gifts, planned gifts, special projects, and campaigns as appropriate.

3. The Foundation will establish, adhere to, and periodically assess its gift-management and acceptance policies. It will promptly acknowledge and issue receipts for all gifts on behalf of the Foundation and the University and provide appropriate recognition and stewardship of such gifts.

4. The University recognizes that the Foundation bears the responsibility for fund-raising. University representatives will coordinate initiatives such as but not limited to fund-raising initiatives including annual giving, major gift solicitations, donor cultivation, and stewardship with the Foundation.

5. The University will work in conjunction with the leadership of the Foundation to identify, cultivate, and solicit prospects for private gifts.

6. The Foundation shall not accept grants from state or federal agencies, except in special circumstances that are approved by the Foundation Board of Directors and the governmental agency.

7. The Foundation shall establish and enforce policies to protect donor confidentiality and rights.

B. Employment of Staff
1. The Foundation shall have the sole authority to hire and/or terminate such employees as necessary to carry out its mission. Such employment shall be on terms and conditions as may be established by the Foundation. This includes all compensated employees of the Foundation.

2. Foundation employees will be generally bound by University practices except as identified in this agreement, or those which are specifically identified as Foundation operating policies and procedures as adopted by the Foundation. The Foundation will also develop and maintain its own compensation system, hiring practices and work rules.

3. Foundation employees are governed by the Foundation Code of Conduct and whistleblower policies attached as Addendum B. These policies form the remedy for grievances held by employees of the Foundation. Grievance procedures maintained by the University do not apply to Foundation personnel, but the Foundation will generally follow University procedures and resources related to employee due process.

4. University employees who are assigned to work with the Foundation shall receive all benefits as provided for by University policy and practice. Benefits for University employees are subject to change by the University.

5. The Foundation shall, at its cost and expense, obtain worker’s compensation insurance coverage covering its employees and employees compensated by the Foundation and reimbursed by the University. Such insurance shall name the University as an additional insured.

6. The Foundation shall, at its cost and expense, obtain liability insurance, errors, and omissions insurance, and automobile liability insurance covering its employees. Such insurance shall name the University as an additional insured, and shall be written with such carrier or carriers, and in such amounts and coverage, as is satisfactory to and approved by the University.

7. All insurance coverage obtained by the Foundation pursuant to this MOU shall be the primary coverage with respect to its employees.

8. The Foundation shall pay to the University such sums as may be necessary to fully reimburse the University for benefits or other related direct costs, and the employer’s share of social security and such amount as required to TIAA/CREF, and PREF to provide retirement benefits for the Foundation employees and Foundation employees reimbursed by the University assigned to work with the Foundation pursuant to this agreement. Such costs shall be determined by the University and shall be paid by the Foundation on a quarterly basis after receiving an invoice for the same from the University.

9. Upon retirement from the Foundation, employees shall receive benefits as provided through University policy unless otherwise mutually agreed upon by the leadership of the Foundation and the University. The Foundation shall pay to the University a sum equal to that portion (pro-rated for time actually affiliated with the Foundation) of the cost of retirement benefits which accrue after July 1, through the last day of employment unless otherwise mutually agreed upon by the leadership of the Foundation and the University. The present value of the early retirement cost shall be computed as of the date of early retirement and apportioned between the University and the Foundation as set forth above.

10. The University and the Foundation will permit and encourage respective employees to serve on committees, task forces or working groups of both organizations when deemed appropriate.

C. Asset Management
1. The Foundation Board of Directors will establish asset allocation, disbursement, and spending policies that adhere to applicable federal and state laws including the Uniform Prudent Management of Institutional Funds Act (UPMIFA).
2. The Foundation will receive, hold, manage, invest, and disperse contributions of cash, securities, patents, copyrights, and other forms of property, including immediately vesting gifts and deferred gifts that are contributed in the form of planned and deferred-gift instruments.

D. Institutional Flexibility
1. The Foundation will explore current opportunities, including acquisition and management of real estate on behalf of the University for future allocation, transfer, or use.

2. The Foundation may serve as an instrument for entrepreneurial activities for the University and engage in such activities as purchasing, developing, or managing real estate for the University for expansion, student housing, program development, or retirement communities to name a few examples. It may also hold licensing agreements and other forms of intellectual property, borrow or guarantee debt issued by their parties, or engage in other activities to increase Foundation revenue with no direct connection to University purpose.

3. The Foundation will assume management of the shared office space located at 101 Ohio Street, Indianapolis, IN (11th Floor). The Foundation will oversee execution of the lease for the aforementioned space. The University will agree to reimburse the Foundation for an agreed upon percentage of space utilized. Priority consideration for office space will be given to the University President, Foundation President, Executive Director of Government Relations, and an admissions representative. The Foundation will work cooperatively with the University to decorate and supply the offices. Staff of the University and the Foundation and affiliated groups may schedule use of space in the offices as available. The Foundation will assume responsibility for staffing the office.

4. When distributing gift funds to the University, the Foundation will disclose any terms, conditions, or limitations imposed by donor or legal determination on the gift. The Foundation will abide by such restrictions and provide appropriate documentation of such.

5. The Foundation is prohibited from storing and or processing any form of credit card information on any Indiana State University owned, operated, and/or maintained electronic storage systems such as, but not limited to, the Banner system. As a separate entity that exists in support of the University, the Foundation must meet PCI compliance requirements.

E. Transfer of Funds
1. The Foundation is the primary depository of private gifts and will transfer funds to the designated entity within the institution in compliance with applicable laws, university policies, and gift agreements.

2. The Foundation’s disbursements on behalf of the University must be reasonable business expenses that support the institution, are consistent with donor intent, and do not conflict with the law.

VI. Foundation Funding and Administration
A. The Foundation can assess fees to the University in order to carry out its mission and the services outlined in this MOU pursuant to Section IV (G) and Addendum A. The Foundation will provide appropriate documentation to the University in support of these fees as reasonably requested by the University. Additional income shall be available for Foundation operating expenses based on policies established from time to time by the Foundation.

B. Income earned on the investment of monies held in the Foundation Current Fund shall inure to the benefit of the Foundation and shall be available on an unrestricted basis to the Foundation to cover current operating expenses of the Foundation or for other uses as the Foundation may deem appropriate and consistent with its mission.
C. The compensation referred to in this agreement is expected to compensate the Foundation for the services described. When additional services are requested by the University, the Foundation and the University agree to negotiate separate arrangements for such services which shall be documented in writing and attached as an Addendum to this MOU.

D. During the term of this MOU and within a reasonable time after the end of the Foundation’s fiscal year, the Foundation shall furnish the University with a written annual statement of activities of the Foundation with respect to the programs agreed upon and conducted during the previous fiscal year of the Foundation. Such statement shall include a listing in the aggregate of all gifts and contributions received by the Foundation during such previous fiscal year. In addition, interim reports will be available to the University.

E. During the term of this agreement, the Foundation shall furnish the University a copy of its annual audit issued by an Independent Certified Public Accounting firm. An approved audit shall be furnished to the University by a mutually agreed upon date. In addition, the Foundation shall provide such other reports, schedules, and records as may be reasonably requested by the University.

F. The Foundation may also serve as the contracting organization or grantee for certain grants or contracts with external funding sources, which are charitable in nature. The Foundation will not receive, manage or maintain commercial transactions or government grants or contracts.

G. The Foundation may earmark a portion of its unrestricted funds to a discretionary fund to distribute to the University through the Board of Trustees for the University leadership to use as they deem appropriate.

VII. Terms of the Memorandum Of Understanding (MOU) and Notice
A. The term of this MOU shall be for five (5) years and shall automatically renew for one (1) additional year unless terminated as provided herein. All addendums and conditions are subject to the same terms unless specifically amended and agreed upon by the Foundation and University. This MOU may be terminated by either party upon sixty (60) calendar days prior written notice to the other party. In the event of termination, the parties shall pay all fees and costs incurred or accrued to the date of termination and an amount to settle any non-cancelable obligations incurred prior to the notice of termination. Any and all terms of this MOU, which may require performance after termination, shall survive the termination of this Agreement until performed.

B. To ensure effective achievement of the items of the MOU, the University and the Foundation officers and board representatives may hold periodic meetings of the representatives of both boards to foster and maintain productive relationships, and to ensure open and continuing communications and alignment of priorities.

C. Consistent with provisions appearing in the Foundation’s bylaws and its articles of incorporation, should the Foundation cease to exist or cease to be an Internal Revenue Code 501(c)(3) organization, the Foundation will transfer its assets and property to the University or to a reincorporated successor foundation, or to the state or federal government for public purposes, in accordance with the law and donor intent.

D. Any notice required under this MOU shall be in writing and shall be personally given to the other party or mailed postage prepaid first-class mail to the address set forth below or to such other address as may be specified in a prior written notice to the other party.

INDIANA STATE UNIVERSITY FOUNDATION
Whistleblower Policy

General

It is in the Indiana State University Foundation’s (the Foundation) interest to establish procedures for:

- The receipt, retention and treatment of complaints received by the Foundation regarding accounting, internal controls, or auditing matters.

- The submission of concerns regarding questionable accounting or audit matters by employees, directors, officers, and other stakeholders of the Foundation, on a confidential and anonymous basis.

The Foundation’s Code of Conduct (the Code) requires officers, directors, other volunteers and employees to observe high standards of conduct and personal integrity in the conduct of their duties and responsibilities. In fulfilling their responsibilities, employees and representatives of the Foundation must refrain from illegal, dishonest or unethical conduct and must comply with all applicable laws and regulations.

Reporting Responsibility

Each director, volunteer, and employee of the Foundation has an obligation to report in accordance with this Whistleblower Policy (a) questionable or improper accounting or auditing matters, and (b) violations and suspected violations of the Code (hereinafter collectively referred to as Concerns).

All reported Concerns will be handled according to this policy. There is no “unofficial” or “off the record” report of a Concern.

Authority of Audit Committee

All reported Concerns will be forwarded to the Audit Committee in accordance with the procedures set forth herein. The Audit Committee shall be responsible for reviewing and addressing all Concerns and is expected to recommend appropriate action, if deemed necessary, to the Executive Committee of the Foundation’s Board of Directors.

No Retaliation

This Whistleblower Policy is intended to encourage and enable directors, volunteers and employees to raise Concerns so that they may be addressed and, when necessary, appropriately resolved. With this objective in mind, no director, volunteer, or employee who, in good faith, reports a Concern shall be subject to retaliation or, in the case of an employee, adverse employment consequences. Moreover, a volunteer or employee who retaliates against someone who has reported a Concern in good faith is subject to disciplinary action up to and including dismissal from the volunteer position or termination of employment.
Reporting Concerns

Employees

Employees should first discuss their Concern with their immediate supervisor. If, after speaking with his or her supervisor, the individual continues to have reasonable grounds to believe the Concern is valid, the individual should report the Concern to the Executive Vice-President of the Foundation. In addition, if the individual is uncomfortable speaking with his or her supervisor, or the supervisor is a subject of the Concern, the individual should report his or her concern directly to the Executive Vice-President of the Foundation, unless the Concern involves the Executive Vice-President of the Foundation.

If the Concern is reported verbally to the Executive Vice-President of the Foundation, the reporting individual, with assistance from the Executive Vice-President of the Foundation, shall reduce the Concern to writing. The Executive Vice-President of the Foundation is required to promptly report the Concern to the Chair of Audit Committee, which has specific and exclusive responsibility to address all Concerns. As described below, the Chair of the Audit Committee shall acknowledge the receipt of the Concern to the individual and, if appropriate, the Executive Vice-President of the Foundation.

If the Concern involves the Executive Vice-President of the Foundation or if for any reason the Executive Vice-President of the Foundation does not promptly forward the Concern to the Audit Committee, the reporting individual should directly report the Concern to the Chair of the Audit Committee. Contact information for the Chair of the Audit Committee is found at the end of this document. Concerns may be also be submitted anonymously. Such anonymous Concerns should be in writing and sent directly to the Chair of the Audit Committee.

Directors and Other Volunteers

Directors and other volunteers should submit Concerns in writing directly to the Chair of the Audit Committee.

Handling of Reported Violations

The Audit Committee shall address all reported Concerns. The Chair of the Audit Committee shall immediately notify the Audit Committee, the President of the Foundation, the Executive Vice-President of the Foundation, the Managing Director, and Chairman of the Foundation Board of the receipt of any reported Concern, unless one of these individuals is the subject of the Concern.

The Chair of the Audit Committee will acknowledge the receipt of the Concern to the reporting individual within five business days, if possible. It will not be possible to acknowledge receipt of anonymously submitted Concerns.

All reports will be reviewed by the Audit Committee in a timely manner, and appropriate corrective action, if deemed necessary, will be recommended to the Executive Committee of the Foundation’s Board of Directors. In addition, action taken must include a conclusion and/or follow-up with the reporting individual for closure of the Concern.

The Audit Committee has the authority to retain outside legal counsel, accountants, or other resources, if deemed necessary, to fully and completely address the reported Concern. The Chair of the Audit Committee should consult with the Chair of the Foundation Board, prior to retaining outside legal counsel, accountants or other resources, unless the Chair of the Foundation Board is the subject of the Concern, in which case the Chair of the Audit Committee should consult with another officer(s) as deemed appropriate by the Audit Committee Chair.
**Acting in Good Faith**

Anyone reporting a Concern must act in good faith and have reasonable grounds for believing the information disclosed indicates an improper accounting or auditing practice, or any other violation of the Code. The act of reporting Concerns or making any allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in a disciplinary action, up to and including dismissal from the volunteer position or termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

**Confidentiality**

The Foundation cannot guarantee confidentiality, but it will use its best efforts to protect whistleblowers. A whistleblower’s identity may be revealed if (1) the individual agrees to be identified, (2) identification is necessary to enable the Foundation or law enforcement to investigate and respond to the alleged violation(s), (3) identification is required by law, (4) the person accused of wrong-doing is entitled to the information as a matter of legal right in disciplinary hearings.

Disclosure of reports of Concerns to individuals not involved in their review will be viewed as a serious disciplinary offense and may result in a disciplinary action, up to and including termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

**Indiana State University Foundation**

**Code of Conduct**

The successful operation and the reputation of the Indiana State University Foundation (the Foundation) are built upon the principles of fair dealing and ethical conduct by our directors and employees. The Foundation’s reputation for integrity and excellence requires careful observance of the spirit and the letter of all applicable laws and regulations, as well as a scrupulous regard for high standards of conduct and personal integrity.

The continued success of the Foundation is dependent upon our stakeholders’ and donors’ trust. The Foundation is dedicated to preserving that trust. Directors and employees have an obligation to the Foundation, its donors, and its other stakeholders to act in a way that will merit their continued trust and confidence and the trust and confidence of the general public.

The Foundation will comply with all applicable laws and regulations and therefore expects its directors, officers and employees to conduct business in accordance with the letter, spirit and intent of all relevant laws and to refrain from illegal, dishonest or unethical conduct.

In general, the use of good judgment, based on high ethical principles, will guide directors and employees with respect to lines of acceptable conduct.

If a situation arises, where it is difficult to determine the proper course of action, the matter should be discussed openly with the employee’s immediate supervisor and, if necessary, the Chairman of the Foundation’s Audit Committee for advice and consultation.

If a non-employee director becomes aware of a situation that requires attention, appropriate notification should be made to the Foundation’s Audit Committee.

Compliance with this code of conduct is the responsibility of each Indiana State University Foundation director and employee. Disregarding or failing to comply with this code of conduct may lead to disciplinary action, up to and including possible termination of duties as a director and/or termination of employment.
This code of conduct will be reviewed and approved annually by the Foundation’s Board of Directors.

Code adopted April 7, 2006

**Item (IV)(a)(xiii)**

**Modification of Dean’s List Threshold**

Currently, the standard for the Dean’s List distinction is a grade point average for the semester of 3.75 or above. However, after the grading system at ISU was modified to allow more pluses and minuses, one of the effects of this modification was to erode average grade points. Further, every other institution of higher education similar to ISU has a lower Dean’s List Threshold than does ISU.

**Recommendation**: Reduce the current Dean’s List Threshold from 3.75 to 3.5.

On a motion by Ms. Tucker, seconded by Mr. Lowery, the recommendation was approved.

**Item (IV)(a)(xiv)**

**Modification of Discretionary Threshold For Academic Dismissal**

Currently, those students who earn a cumulative grade point average of 1.0 or less are academically dismissed. Deans of the various colleges, however, have discretion, on a case-by-case basis, to allow exceptions. Due to the same reasons set forth in the previous item, the level for the discretionary threshold for academic dismissal should be reduced from 1.0 to .85. Deans will retain the discretion to provide exception to NOT academically dismiss on a case-by-case basis.

**Recommendation**: Modification of Discretionary Threshold for Academic Dismissal.

On a motion by Ms. Tucker, seconded by Mr. Campbell, the recommendation was approved by an 8-1 vote. Ms. Bell voted nay.
Item (IV)(a)(xv)
Staff Salary Schedule

The Staff Salary Schedule shown below reflects the recent staff salary increase, effective, November 1, 2011 (October 29, 2011 for non-exempt staff).

Recommendation: Approval of the staff salary schedule as shown below.

On a motion by Ms. Tucker, seconded by Mr. Pillow, the recommendation was approved.

Revenues

Student Fees

Through September 30th, total Student Fee revenues are above last year’s amount by $3,126,464. Summer II tuition and Fall tuition are above budget by $69,972 and $4,725,707. This increase is due to higher enrollment numbers for the Fall. The University’s operating budget has been adjusted by $3,192,750 to accommodate this increased enrollment including $890,000 for additional scholarships, $647,750 for additional student wages, $1,000,000 for capital improvements, and $655,000 for university initiatives.

Other Fees and Charges

Other Fees and Charges are above last year’s totals by $336,931. This is due to increases in credit/exam fee, on-campus credit workshops fee, deferment fee, and distance delivery fee reimbursement.

Sales and Services

Sales and Services are above last year’s totals by $107,307. This is due to receiving Indiana University’s School of Medicine reimbursement sooner than last year.

Rent, Interest, Dividends, and Gifts

Rent and Interest income is down from last year’s amount by $336,506 as interest income budgeted for 2012 was reduced by $1,037,343.

Miscellaneous Income

Miscellaneous Income shows an increase of $1,596,830 over last year to reflect the additional $600,000 of utility reimbursement from Residential Life, as well as a $1,000,000 transfer from the medical benefit reserve to cover contributions to the VEBA fund.

Expenses

Salaries and Wages

Salaries and wages are above last year’s levels by $891,292. Instructional salaries are up by $485,976, along with retirement incentives that were paid out for support staff through June 30 that were expenses in July of $276,569.

Fringe Benefits

Fringe benefits are above last year’s total by $426,706. This is largely due to additional TIAA-CREF contributions made on behalf of summer faculty and increased medical insurance costs.
Student Wages

Student wages are $150,958 above last year as three student pays were processed in September 2011 as compared to two pays in 2010.

Utilities

Utilities expenses are above last year’s totals by $413,128. This is due to growth in electricity costs of $178,848 and natural gas of $200,000.

Training, Representation and Travel

Training, Representation, and Travel expenses are above last year’s amount by $126,410.

Student Aid

Student Institutional Aid is slightly above last year’s expenditures by $5,685. An additional $890,000 of budget from excess tuition revenue was allocated to cover laptop scholarships as well as other miscellaneous scholarships.

Supplies and Expense/Transfers

Supplies and Expense is $784,725 lower than last year due to the timing of transfers out. The budget includes $7,475,999 of carry-forward budget from fiscal year 2010 to be spent in 2011.

Repairs and Maintenance

Repairs and maintenance expenses show a decline of $695,296 and is the result of a reduction of open commitments in Facility Management. Many of these purchases are being processed on the procurement card versus purchase orders. A total budget of $195,825 was brought forward into the fiscal year as carry forward.

Capital Equipment

Capital equipment expense reflects a reduction of $103,807 from the prior year. A total carry-forward budget of $808,234 was brought into the new year.
